Application No. 10/057,534

ORDER RETURNING UNDOCKETED APPEAL TO EXAMINER

This application was electronically received at the Board of Patent Appeals and Interferences on January 19, 2006. A review of the application has revealed that the application is not ready for docketing as an appeal. Accordingly, the application is herewith being electronically returned to the examiner. The matter requiring attention prior to docketing is identified below.

An Information Disclosure Statement (IDS) was filed April 15, 2004. It is not apparent from the record that the examiner properly considered the IDS submitted nor notified appellants of why his submission did not meet the criteria set forth in 37 CFR §§ 1.97 and 1.98.

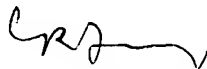

Application No. 10/057,534

Accordingly, it is

ORDERED that the application is returned to the Examiner for

1) consideration of the April 4, 2004 IDS, 2) written notification to appellant regarding the result of the examiner's consideration, and 3) for such further action as may be appropriate.
